

Rubbish

- In an effort to reduce the amount of rubbish sent to land fill sites and assist in recycling your assistance will be appreciated in reducing/sorting refuse.
- There is a box in the kitchen for glass, cans, newspapers, paper, cardboard and plastic bottles/cartons. After rinsing, please put the appropriate items in the box. If it overflows surplus can be left in the outhouse. Other refuse should be put into the bins outside.

- Sewage is disposed by way of a septic tank. Please **do not** deposit anything into the toilets which may block the system.
